SONOMA MOTORISTS AID AUTO VICTIMS

Henry Weber, Jr., and H. Ring, First to Reach Scene of Gallick Accident Sunday and Raised Car From Body of Dead Man.

A pleasant little jaunt in Heine Weber's Ford sedan to the merry Dillon & King show in San Francisco last Sunday afternoon was interrupted when Weber and his companion Haster Ring, came upon the terrible wreck of the Samuel Gallick car near the Black Point bridge and just in time to rescue the victims of the tragic accident. When Weber and Ring came along the overturned Buick's wheels were still spinning in the air and under it were several of the unfortunate motorists, including the driver, Gallick, who was dead, however, when taken from the wreckage. The Sonoma boys worked heroically and immediately jacked up Gallick's car, realizing that prompt measures were the only hope of those underneath the machine. Gallick, however, was beyond help. His neck had been broken and he bore a bad cut across his face. He never breathed after being pulled from underneath the car. Another man in the rear of the car was rescued just in time, as he was pinned down in such a way that he could not have lived but for the timely assistance given him. The car doors were pried loose, to get some of the women out of the wreck, and they were all hysterical when rescued, including Gallick's wife. None of them, however, were seriously injured.

Gallick was driving at a speed said to be in excess of 50 miles an hour and was attempting to overtake some friends who had started for Boyes Springs. He ran off the road almost half a mile this side of the Black Point bridge and in attempting to right his car lost control of it. The machine, a handsome new Buick, was a complete wreck.

Weber and Ring took some of the ladies of the party to San Rafael, while a party of Petalumans rushed Gallick to a Marin County hospital, thinking there might be a spark of life. Death, however, had been instantaneous, declared the surgeon who viewed Gallick's blackened body.

The unfortunate man was a Salinas merchant of means who had a country home at San Anselmo. He was 35 years of age.

The young Sonoma motorists proceeded on their way after doing all they could for the Gallick party and having finally arrived in Frisco took in Dillon and King's big show, and declare it did a lot to cheer them up after their grewsome afternoon's experience.

Mr. and Mrs. Frank Reeves, of Pontiac, Michigan, are wintering at the R. C. Waller ranch, Schellville. Mrs. Reeves is a sister of Mrs. Waller.

VERNON GOODWIN VISITS SICK UNCLE

Vernon Goodwin has journeyed here for a short visit with his uncle, A. C. McMeans, who has been seriously ill for several weeks. Goodwin upon his arrival, was pleased to find his relative improving.

Mr. Goodwin is a former resident of Santa Rosa and is prominent in the hotel business circles of Southern California. He has been associated as managing director of the Alexandra hotel and lately one of the managers of the great Ambassador hotel system, operating a string of first class hotels in Southern California and in the east.—Santa Rosa Republican.

Vernon Goodwin was formerly principal of Sonoma's grammar school.

WERE WEDDED ON SATURDAY

At a pretty but quiet wedding in San Francisco on Saturday evening at 8 o'clock Miss Stella O. Filippini, daughter of the late Mr. and Mrs. Chas. Filippini, became the bride of Walter J. Murphy, of Palo Alto.

Rev. Father Buckley, a close friend of the groom, performed the ceremony at the Star of the Sea Church and the immediate relatives of the couple were present.

The handsome bride was attired in a brown silk gown with hat to match. The couple were unattended. Following the ceremony a dinner was given and the newlyweds left later for the south on their wedding trip.

They will reside at Palo Alto on their return from their honeymoon.

R E. Perkins of the Sonoma Valley Bank gave $5 last week to the fire engine fund. A contribution of $2.50 was received from Mrs. Susie Revie, $5 from Tony Cereghino and $15 from O. R. Wagner.

All money already paid in is on deposit in the Sonoma banks.

Those who have pledged and not paid are requested to kindly pay up if they can possibly do so. The coming of the engine and the committee's desire to present it to the City of Sonoma, free from all debt and incumbrance, make payment of pledges imperative.

The engine fund can easily go over the top now if all will co-operate.

WIND STORMS WREAK HAVOC HERE

Telephone Poles and Great Trees Sent Crashing to the Ground Sunday. Sonoma Grove Cottages Badly Damaged. McDonnell Home Menaced.

The wind storm which swept the valley last Sunday night was the worst since Thanksgiving day, 1919, when fire in the Buena Vista hills fanned by the high wind caused great damage.

The wind storm of the more recent date, following as it did soaking rains in the valley, caused giant trees to be uprooted from the soft ground and caused destruction to more than twenty telephone poles in this vicinity.

There were several narrow escapes from injury, or perhaps death, due to immense trees falling. At Sonoma Grove giant gum trees crashed upon several cottages, which were badly damaged. At the home of the McDonnells, on Broadway, a big eucalyptus tree which had withstood the elements for fifty-one years, and towered above the little cottage, was blown out of the ground, and in falling just scraped the front portion of the home. It fell in among other trees which were shattered and splintered as the big giant came down, completely burying a view of the house with fallen limbs and thick foliage Miss McDonnell, who had realized the danger and had feared the tree, was just making up a temporary bed in the rear part of the house when she heard the crash. Alarmed that it might endanger the power and light wires, she ran to the sub station for assistance. No damage other than to the garden and fence resulted, but an immense pit filled with water shows where the old giant broke from its moorings after half a century.

Sonoma's historic Plaza was hard hit by the storm, about a dozen huge shade trees being felled by the wind. Many ranchers had sheds and trees destroyed and on the Cutter place a number of apple trees are said to have been badly damaged.

The Telephone-Light Company was hit hard and the service was severely interrupted for several days while the "trouble shooters" worked overtime between here and Healdsburg, clearing up the havoc wrought by the big storm.

WILL MOVE FOR NEW TRIAL

SANTA ROSA, Jan. 14.—The plaintiff in the cases of the Poultry Producers of Central California, Inc., has filed a notice of intention to move for a new trial against Theodore Pierson and against D. Colli. On the eve of his retirement from office Judge T. C. Denny rendered a decision in favor of the defendants.

ABIJAH WOODWORTH HAS BIRTHDAY

Abijah Woodworth's 84th birthday occurred Monday and was observed by a considerable number of his relatives who repaired to his home at Petaluma on that day. Several hours were spent sociably and in the enjoyment of a fine dinner.

EASTERN STAR HAD FINE INSTALLATION

Valley of the Moon Chapter Again Does Itself Proud as Worthy Matron Whitmore Turns Over Gavel to Edna Stillings.

Valley of the Moon Chapter, Order of Eastern Star, had a large and fully attended gathering Wednesday night, the date of the installation, and the retiring of Mrs. Laura Whitmore as Worthy Matron of the lodge. Mrs. Edna Stillings was inducted into office together with her new co-officers for the ensuing year.

The Masonic Hall was gracefully decorated in pepper foliage, and in addition to the large number of local members and friends, there was a visiting delegation from Napa.

The ceremonies attending the installing of the new officers were interspersed with many fine program numbers, including a violin solo by Mr. Beard, vocal duet by Rev. and Mrs. Burchett, violin duet, Miss Noyes and Nick Wirtz; song, Mrs. Savacool; song, Mrs. Josie Monk, of Napa; selection, the Knolle orchestra, including Messrs Angove, Wirtz, Rotenberg and piccolo; reading Mrs. Taylor; monologue, Mrs. Burchett.

After the program there was the usual presentation of gifts, including the handsome jewel to the Past Matron and Patron. Chas. Potter. They both acknowledged the gifts in graceful speeches, Mrs Whitmore also expressing her delight at the handsome set of silver forks presented to her by her committees of the past year. Flowers were given some of the distinguished visitors, and prettily acknowledged.

A buffet banquet concluded the evening.

FIRE ENGINE ARRIVES WILL BE DEMONSTRATED THIS AFTERNOON

It is expected that Sonoma's new Waterous fire engine will be on parade today and will be given a try-out this afternoon.

Arrangements had not been completed up to the hour of the Index-Tribune's going to press.

Later—The Waterous engine arrived at 4:30 p. m. yesterday under its own power, driven by Mr. F. A. Waterous, son of the manufacturer. The Pacific Coast agent, Mr. J. H. Lashbrooke, also accompanied the engine.

The public is invited to witness the demonstration today at 2 p. m.

B. H. Chambers was up Friday Boyes Springs and greeting his old friends. He will be up for the season about March 1st.

Mr. and Mrs. Dave Eraldi entertained Mrs. Eraldi's sister and family last Sunday. They motored up from San Francisco.

Among those from Sonoma Valley recently admitted to citizenship was P. Viviani, who passed a very creditable examination.

SENATOR SLATER ASKS $2,000 FOR MISSION

Legislator Seeks Appropriation for Complete Restoration of Historic Landmark.

Senator Herbert Slater has introduced a bill at Sacramento asking the Legislature to appropriate $2,000 to complete the restoration of the Mission, San Francisco de Solano. The money is to be expended in renovating and rehabilitating the interior of the sacred relic, where are interred the remains of some of the members of famous families of the early days. The church and its cloister, which were for years used for storage purposes before the state acquired the mission, were not restored when the walls and roof were saved from decay through the appropriation some years ago. Senator Slater now seeks to have the good work completed.

It is also hoped to have the grounds around the hallowed emblem of padre days planted to lawn and kept up. A fire scare last year from dry grass and neglected rubbish around the old church gave the lovers of our landmarks great concern.

Sonoma is seeking through the representatives in the Legislature the honor of having a local representative on the Sutter Fort Commission. This commission acts as custodian of the Sonoma Mission and also of the old Russian landmarks at Fort Ross.

KAPLAN'S PRICES

ELECTRIC FERRY BOATS TO BRING AUTOS THIS WAY

San Francisco is to have the first electrically driven ferry boats in the world. Plans are being drawn by D. W. Dickie, the well known naval architect, for two auto ferry boats to be put in use by Golden Gate Ferry company between Sausalito and San Francisco. They are to be driven by electric motors, the energy to be furnished by generators driven by oil engines. So far as known the boats to be constructed by Golden Gate Ferry company will be the first of the kind in the world. There will bt no boilers, steam engines, condensers or fire crew, cutting the expense of operation at least $50,000 per annum for the two boats below the cost of operation of the type of ferry boats now in use on San Francisco Bay.

The board of directors of Golden Gate Ferry company wanted the best and most economical equipment and the engineers of the company advised electric propulsion. Shipbuilders and engineers agree that the ship of the future is the electrically driven ship. The oil engine, instead of the steam turbine for the ferry boats, in the opinion of experts, is far more economical and just as dependable.

The decision of the directors of Golden Gate Ferry company to adopt the electric type of boat is in line with an established policy which will call for the best of everything to be operated at a minimum of expense for the stockholders.

MRS. E. T. CASSON IS CONVALESCENT

Mrs. E. T. Casson, who suffered a severe attack of influenza, followed by pleural pneumonia complication, is much improved this week and is resting comfortably at her home on East Napa street.

Much concern was felt last week by friends of the popular matron at the news of her critical illness. Mrs. Casson, who is the wife of the well known poultryman, is a clever and versatile woman. She has from time to time taken an active interest in many civic and social affairs here and lent her time and talents without stint. Many anxious inquires came to the home of the gracious matron who is now convalescing.

ANOTHER SONOMA GIRL IS HAPPY BRIDE

Miss Florence Johnson Weds Young Man of Napa During the Holidays.

Miss Florence Johnson, the attractive daughter of Mr. and Mrs. Lucien Johnson of Boyes Springs, was among the brides of December, having wed Louis W. Massa at Napa, where she was visiting friends. The wedding took place on the 26th of December, the ceremony being performed by the parish priest of our neighboring city. The bride had been residing here with her parents prior to her marriage and was very popular with the younger set.

The groom is employed at the Mare Island Navy Yard. The young couple will reside at Napa.

INTERESTING LETTERS AND ANSWERS TO 'EM

No. 1

Sonoma, Jan. 10, 1921.

Dear Editor:—

If you were a dashing widower and scorned the weather on a windy Sunday night just to call on your lady love, and had on your best hat, for which you just blew yourself for $5, and the wind blew it away and left you hatless,—what would you do, keep on going or turn back?

Answer—You should worry about being hatless, just as long as you are not heartless.

No. 2

Dear Editor:—

What is the proper etiquette about sending a bouquet or floral piece to new office holders? Should you attach your card, make an announcement or present it in person?

Answer—It all depends on the person. If your card has been indexed previously and your design, or rather, your monogram, is well known, it would be very bad form for one of good breeding to attach it. It might breed trouble. Furthermore, it might be resented by a judge of good manners. If you are sincere in your congratulations, not a grand standy, and do not wish to "pull anything," say it with flowers—the language of the flowers is all right and quite understanding, even in Chinese lilies.

Nix on the card!

SUPERVISORS, EQUALIZE YOUR PATRONAGE

The Supervisors of Sonoma County incidentally spend a lot of money running the county and buying supplies. It is only fair to point out that where it is possible the various communities and districts paying the bills should get some of the business.. As it has been in the past, most of the money for everything has been spent in Santa Rosa. Only recently figures were given out showing that out of $14,700 spent for county printing and advertising. $12,492 of it was spent with the Santa Rosa printers. Sonoma received $113.16 of the $14,700. By equalizing their patronage the Board of Supervisors will perform a good service.

MORE DRY LAWS TO COMPLICATE THE FIASCO

Instead of insisting on further embarassment of the federal government in its attempt to make prohibition stick, it would be more to the credit of California legislators if they would at least give Uncle Sam the excuse that he is too busy to enforce prohibition as intended. Instead, we are to witness the fiasco of more laws on the subject and more cops and coppetticoats if prohibition is permitted to put one over on us again.

It is nothing short of disgusting in a state where several solemn referendums on the prohibition subject have been taken to witness these materializing seances up at Sacramento. Liquor legislation in California was repeatedly killed, and yet it is revitalized at every session by professional reformers sent there by a majority of cranks and poor losers to foist "dryness" down our throats.

The propaganda that the state cannot be truly American unless it passes more laws to support the latest constitutional amendment failed to register with the people when they went to vote on the Harris act, and many felt that in voting against it they were more truly American and had the constitution more truly at heart than those who believe that the infringment of personal liberty and the appending of a law that is neither upheld or respected is good Americanism.

An increased army of sleuths and enforcement officers at the heels of people who have for generations proved their good citizenship and Americanism is no pleasant spectacle to contemplate and the fact that Congress hesitates to put very much more of its good money into the job is decidedly prophetic. If the scandal and graft which have attached themselves to the number of prohibition enforcement hirelings thus far is any sample of what we will get with an increased force, may the good Lord deliver us from prohibition until the poor clay from which they are fashioned is mentally and spiritually improved.

THESE WHITTLERS OF CONGRESSIONAL DISTRICTS HAVE SOME TASK

It seems that the redistricting of the territorory to give California more Congressmen is to become a political rather than a geographical arrangement if some of the solons at Sacramento have their way. The ultra Republicans who have a hand in the pie are scratching their heads or tapping the solid ivory over the problem of carving out Congressman Lea's territory so that it will become a Republican sinecure and a cinch for next time. That they have some job ahead is apparent after the test to which Congressman Lea was subjected during the recent election. Coming out with flying colors, as he did, supported by both Republicans and Democrats, it is not surprising that his popularity is causing partizan politicians distress and concern. While the people of any congressional district are so fortunate as to have a public servant like Mr. Lea devote himself to their every interest they are not going to be stampeded into a change to please a few reactionary politicians.

When it comes to carving out the Lea strongholds in this district the proponents of that idea will have a ripping time, as the Englishman might say for the whole district returned from every part of it a handsome vote for our congressman. Republicans and Democrats were his supporters. Republicans who had the choice of men of their own political complexion nominated and elected Mr. Lea. The compliment paid him at the primaries was repeated at the general election.

As the voters have become better informed and broader minded on matters of national import they have come to see the decided advantage of having a man at Washington instead of a political manikin and appreciate the fact that seniority in Congress cuts a big figure. It means prestige for the congressional constituency which keeps the man who has made good on the job. No matter how commanding the figure at home, a congressman commands little attention at the national capitol until he has become more or less a familiar figure. A man is in no position to do much for his district until he has attained a fixed status at Washington. Mr. Lea has achieved this through deserved and well founded popularity which is confined to no political party but emanates from every portion of the district and from voters regardless of party. This is the reason that petty Republican politicians with their officious compasses will have a merry time trying to square the circle which will bisect Mr. Lea's district in such a way that he can be shut out. He is at this very time doing a tremendous lot of good work for the district, laboring for the best interest of our people regardless of the tariff or any other fol-de-rol. As a protectionist of the interests of the people of the First Congressional District, Clarence F. Lea has satisfactorily demonstrated his creed, congressional whittlers at Sacramento notwithstanding.

Liquor, the kind with a high kick, is now within the reach of all.—not financially speaking but right on the kitchen stove.

How about the 1922 babies to be named "Warren"?—presidential pets and a good name at that.

The most succesful business man in Sonoma says he loves to pay bills and write checks. Perhaps that is the reason for his success. Let's all try it as our means permit.

HE WAS GOING TOO FAST TO OBSERVE

A motor magazine refers to Sonoma as a "quaint village". Now we do not mind being called antique, but quaint, never. As to the "village," Sonoma is a city of the sixth class, a municipality, if it pleaseth you to so refer. We "villagers" resent the facetious press notice of the motor promotion man and suggest that the next time he whirls by, that he get out and step around.

LEFT FOR MEXICO

Louis Kunde, the grape grower and wine maker, of Kenwood, left for Mexico the first of the week with a party of prominent San Francisco business people. They will be extensively entertained by the president of the Mexico Republic.

Among the party was also Mr. W. S. Miller of the Standard Oil company, well known here.

RUSSIAN BALLET DANCER TO GIVE LESSONS HERE

At the beautiful studio in her father's home, the "Anita" Ranch, formerly the Bosse place, Miss Tamara Laub, lately arrived from Paris, will give lessons in dancing and also may be engaged to arrange costume parties. It will afford Sonomans great opportunity to study dancing under this talented artist.

A. W. Foster has been confined to his home in San Rafael by illness.

Carl Berger of Oildale, Kern Co. has been up on business connected with getting his final citizenship papers at Santa Rosa. He was warmly greeted by many old friends.

Friends of Mrs. S. H. Whiting of Boyes Springs will be exceedingly sorry to hear that she has been quite ill at St. Francis Hospital, San Francisco, having suffered a severe hemorrhage of the nose. Mrs. Whiting is the widow of the late H. C. Whiting, former official of the N. W. P. railroad.

Mrs. Eliza Shepard, Mrs. Chas. J. Poppe and Mrs. G. W O'Donnell of Glen Ellen are representing the Santa Rosa Auxiliary of the American Legion at the Fresno convention. These Club ladies have taken active part in several big benefits for the Santa Rosa Post.

Jack Kelly, formerly of Boyes Springs, is now representing a leading oil burner concern in San Francisco.

HIGH SCHOOL NOTES

The Honor Society and the faculty of the High School enjoyed a banquet Thursday night, January 6th. The tables, arranged to form the H which stands for Honor, were prettily decorated with fragrant China lilies, roses and greens. The delicious feast was partaken of amidst the merry diversion created by the clever toasts of all present.

The Honor Scholarship pennant, beautifully made in the school colors, red and blue, was awarded to the Honor representatives of the Sophomore class. This class will have the pennant in its room until another class gains possession of it by having a greater number of honor students in proportion to its members.

After the speeches, musical numbers rendered by Miss Poppe, Miss Burt and Anna Noyes, were greatly enjoyed. After singing school songs the Honor students left for their homes with desires of remaining members of the society next quarter and of doing their utmost toward stimulating the interest of the other students in the enlarging of its membership.

Saturday night the Biology class gave a jolly party. It was a jinks, and so all came in gay costumes and enjoyed a merry evening. The girls spent the evening in dancing and games. Dainty refreshments were served by the hostesses before the termination of the evening's pleasure.

An attractive and interesting post card has been received by the editor from Mrs. Colquhoun, from Dunoon, Scotland.

Mrs. George Chase came home last Sunday from San Francisco, where she has been under treatment for the arm she fractured several weeks ago. Her friends will be pleased to learn of her steady recovery.

NOTES FROM THE LEGISLATURE AT SACRAMENTO

SACRAMENTO, Jan. 12.—The 1921 session of the Legislature has just begun, and the first half of the second week of the session has caused those who prophesied a quiet uninteresting session to in a great measure revise, if not reverse, their prophecy. It is a little early yet for the "old timers" to declare themselves and the first half of the second week has caused them no little wonderment.

There are about forty-two new members in the Assembly, and there is a disposition on the part of a great majority of these to not take "program." There is a disposition on the part of many of these hard-headed, careful, conservative men from the interior to want to know the "how and why" of things. Geo. Cleveland of Watsonville is going to find out if he can, why each of the many commissions has from one to three or four attorneys and has already introduced a bill eliminating five of them, with more to come. Senator Inman wants to know why the Railroad Commission asks for $1,142 000 and the rates to consumers of public utilities products are constantly increasing. The Highway Commission may also be probed. Many farmers want to know why perishable products are kept in cold storage until another crop comes for which there is comparatively little demand owing to the products in cold storage.

True, there are not many bills introduced, but a majority of them will cause many people in different parts of the state considerable worriment.

SAN FRANCISCO, Jan. 12.—At the office of Collector of Internal Revenue John L. Flynn it was today announced that forms 1040, for the return of the individual income tax in excess of $5,000 have been mailed to all taxpayers who filed a return last year. Failure to receive a form, however, does not relieve a person of his obligation to file a return within the time prescribed.

It was further announced that forms 1040 A, for the individual return under $5,000 are being made ready for the mail and will reach the taxpayers within a week. Income tax conditions are the same this year as last. The final date when returns must be in the office of the Collector is March 15, 1921.

HIPPODROME ATTRACTIONS

The "Hip" at Napa is continuing its high class attractions that were announced at the initial performances. For this week, Saturday, "The Soul of Youth," a feature picture of particular interest to "Kids" is the attraction, and for next week with the bill beginning Sunday, January 16th, there will be the usual Vaudeville of four special acts, the Grand Organ with Mynard Sherman Jones at the console, and the fifteen-piece orchestra, under the direction of Van Osten, who has very markedly demonstrated that the Hippodrome patrons would support first class music.

The screen attractions for the week, comprise the very best of film productions. On Monday and Tuesday is one of the season's sensations, "Something to Think About," an ultra high-class film production which will have a special surrounding at its Napa Hippodrome showing, in music and a special feature act.

PAYS HIS SUBSCRIPTION IN YEN

Elmer Owens, the handsome night clerk of the Anaheim hotel, formerly of Boyes Hot Springs, renews his subscription to the Index-Tribune for six months in the following original manner:

Mr. Murphy,
My dear Sir:

No paper for two weeks. Enclose please find 1,000 yen, China money, but in good old U. S. we call it one cart wheel,— as Bud Fisher says, one fich.

Yours in the front row, with a happy New Year.

ELMER C. OWENS,
Night Clerk Hotel Valencia, Anaheim, Cal.

Elmer, we do not look on the wine when it is red any more because it is taboo (only when we can get it) but we continue to look on the long green with favor, whether in yen, simoleons or kopees. Thank you.

Mr. and Mrs. Felice Rovai have purchased the cottage of W. D. Foley on Napa street.

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

TOGETHER WITH all and singular the tenements, easements and appurtenances there unto belonging, or in anywise appertaining.

Given under my hand and the seal of the Superior Court of the County of Sonoma, State of California, this 13th day of October, 1920.

(SEAL) W. W. FELT, JR.,
County Clerk,
By F. C. Thompson,
Deputy Clerk.

SONOMA ROAD COMMITTEE NAMED

Appointment of a special committee of the Chamber of Commerce to work on the development of the Sonoma Road, was authorized by the board of directors at its noon luncheon meeting at the Occidental Hotel today. Frank J. McNamara was named as chairman by President H. P. Hilliard. Others named are Frank P. Doyle, Sheridan W. Baker, J. Francis O'Connor and C. C. Donovan. This committee will have the power to appoint necessary subcommittees. Immediate action was urged upon the chairman, and committee members, and it is likely that the State Highway Commission will be invited here for a special hearig in the matter.—S. R. Republican.

WINE, WOMEN AND SONG? PERHAPS IT'S THE SEQUENCE

SACRAMENTO, Jan. 12.—Part of the $109,000 appropriation recommended by the budget board for the state home for delinquent women in Sonoma County is to be used in remodeling two ancient stone wineries into dormatories for the women committed to the institution, it developed today.

The board in charge of the home, which was established by act of the 1919 legislature, sought from the budget board appropriations aggregating $497,000. The budget report made public today recommends appropriation of $85,000 for maintenance, $18,000 for alteration of buildings upon the 640 acre site, and $6,000 for farm buildings.

The above telegram reveals plans for the remodeling of the old wineries at the Buena Vista Castle property recently purchased by the state as a farm for delinquent women.

The stone buildings referred to have not been used for wineries for years. They date back to pioneer days when Colonel Agoston Haraszthy had 400 acres of vineyard on the property and organized the famous Buena Vista Vinicultural Society in 1863. A story of buried treasure —cases of rare champagne somewhereon the property, may cause interest and joy to the inmates when it becomes known. Should the buried champagne ever be unearthed the old stone winery may even resound with song. At any rate the sequence, "wine, women and song," seems possible of fulfillment in Buena Vista.

PUBLIC ADMINISTRATOR MAKES REPORT

The public administrator's semi-annual report shows the value of the estate of the late Amanda Johnson to have been $12,689.41, $7,629.41 in money received and deposited in the bank.

Public Administrator Phillips is also handling the estates of F. W Boynton, Margaret Quinn Springfield Caesar Acquistapace and a dozen other decdents, on all of whose estates he makes a clear and concise report in his semi-annual statement.

VINEBURG NEWS

The many friends of Mr. Louis Martin, who has been quite ill for the past two weeks, will be glad to hear that he is convalescent and able to be around again.

Fred Batto, accompanied by Mrs. Chas. McDavitt and the Misses Louise and Emily Batto, motored to Petaluma on Tuesday.

The heavy wind storm on Sunday did not do much damage in this vicinity. It did not even blow away the new highway. That's good, for if it did we might never find where the highway was.

Carl M. Anderson, our local garage man, has purchased the property formerly owned by Louis Anderson, blacksmith, at this place.

A number of our young boys, all under 18 years of age, have organized a club which they call the Junior Rifle Corps, and it is their intention to become proficient in the use of firearms, and to promote sociability among themselves. The officers are Albert Wehrlie, recorder; Willard Cole, range master; and Harry Cordell, assistant instructor.

Miss Mary Batto returned home on Sunday last after a week's visit to friends in Napa.

Mr. and Mrs. H. E. Ephstein of San Francisco, after a four months' trip to the Hawaiian islands were the guests of Mr. and Mrs. Frank Rhode at their romantic home, "Bella Vista," on the Napa Road, on Sunday last. Mrs. Ephstein is Mrs. Rhode's sister, and the lady reports a delightful time during her visit to the "Eden of the Pacific."

Our local hatcheries are now preparing for the coming hatching season and from orders received for baby chicks from all parts of the coast and elsewhere expect it to be a record one.

Louis Rouquie of the U. S. radio service, stationed at Vallejo, is now enjoying a vacation with his family at his home in Vineburg.

This has been a very busy week at the warehouse at Batto's Spur and extra help has been required to handle the large amount of hay, grain and mill feed that has been received and disposed of. The receipt of eggs has also been the heaviest for this time of the season for several years.

Messrs. Morris Levy, Fred Bonner, Pete Bosch and our village blacksmith, Mr. Farris, attended the movies at Sonoma on Saturday evening and report a swell time.

DANCE AT AGUA CALIENTE SPRINGS HOTEL

Mrs. Richards announces a grand ball with cabaret features at Agua Caliente Springs Hotel on Saturday night, February 12th. About 500 invitations are to be issued to neighboring cities and their social sets. Something unusually fine in jazz music is to be offered.

RAVIOLI SUPPER DANCE ON 29th

One of the famous Panerazi ravioli supper dances is announced for Saturday night, January 29th at Glen Ellen. Proceeds will be given to St. Francis Church. A fine door prize will be an added attraction. The Panerazi auditorium will no doubt be crowded.

Tony Francheski was successful in his citizenship test as propounded by Judge Rolfe Thompson Tuesday at Santa Rosa and is now entitled to his final papers. Mr. Francheski is a popular business man of town.

SONOMA BANKS' REPORTS SHOW SOUND CONDITION

The substantial condition of Sonoma's banks is evidenced in the reports as at the close of business for 1920. The banks have both prospered during the past year and their sound finances are a source of great pride to the community of which they are a part.

A study of the figures as presented in another column of this issue will prove interesting reading.

A Salmina, accompanied by his daughter and son-in-law, Mr. Ricci, was here this week from their famous Lake County resort and ranch, visiting their relatives, the Nichelinis and Maffeis.

BAIL FIXED AT $1,000

Hugh Boyle, former Petaluman, who was arrested in Mill Valley last Sunday charged with passing a bad check on the Boyes Springs garage for $300, was released on $1,000 bail after a hearing before Judge Lester Small Thursday.

J. J. Dunbar, thelocal plumber, has been putting in considerable high class work recently for newcomers in the Hyde tract and other resident sections of Sonoma Valley.

S. Petrovich, of Oakland, is the new owner of the Frank Rhode poultry ranch at Vineburg. The Petrovich ranch has a hatchery with capacity of 12,000 chicks.
